Hello Q'Deene,

Can you review the original email that came in from ORCA? Please let me know if I should give them public disclosure information?

Thanks.

Send it to Q'Deene. See what she says. Seems public disclosure'ish.

Hello,

I'm doing some research on behalf of the Oregon Department of Transportation about transit passes that are recognized across multiple transit providers. The ORCA card is a great example of this, offering a transit pass that can be used for several different transit agencies. I'm wondering if a memorandum of understanding was used to establish the integrated fare? And if so, could I get a copy of this memorandum?

Thank you,
